### DETAILED LANGUAGE

#### Retroactive Nomination

Enable Gas Transmission, LLC (EGT), MRT's affiliate, is requesting a retroactive nomination for March 28 to April 30, 2018. A measurement error caused EGT to schedule incorrect volume for the period March 19 to April 30, 2018. To correct, EGT is requesting to correct the nominated quantities to reflect volume revisions. Pursuant to Section 29.1 GT&C, MRT will waive the prospective nomination requirement of Section 8.1 (f), G T & C. No other Customers, nor MRT, are adversely affected by this waiver.
