DETAILED LANGUAGE

MIQ Notification Requirement

Enable Gas Transmission (EGT) has requested that MRT waive the requirement that notice to increase an MIQ election must be given 30 days prior to the beginning of the month as outlined in FSS Section 3.2 of MRT's Tariff. EGT is requesting that MRT allow an increase to their MIQ for August 1, 2019. Pursuant to Section 29.1 GT&C, MRT will waive the requirement that a shipper must give 30 days notice to increase an MIQ election. No other customers nor MRT are adversely affected by the waiver.

Retroactive Nomination

Enable Gas Transmission, LLC (EGT), MRT's affiliate, is requesting a retroactive nomination for August 10 – 12, 2019. A scheduling error caused EGT to nominate incorrect volume for this time period. EGT is requesting to correct the nominated quantities to reflect volume revisions. Pursuant to Section 29.1 GT&C, MRT will waive the prospective nomination requirement of Section 8.1 (f), G T & C. No other Customers, nor MRT, are adversely affected by this waiver.
