Retroactive Nominations

CenterPoint Energy Resources Corp (“CERC”), EGT’s affiliate with marketing function employees and Sequent Energy Management LP (“Sequent”) are requesting a retroactive nomination change for February 1, 2018. CERC on behalf of Sequent, is requesting a nomination increase on contract 1008699 for supply to TETCO Bald Knob 801641. There were supply issues at TETCO Bald Knob for GD 2/1, and a retro has already been processed on TETCO’s behalf increasing the nomination from 6,800 to 11,500. Accordingly, pursuant to Section 15.1(b), GT&C, EGT has agreed to waive the requirement that nominations have a prospective effect only and has accepted the nomination change for the stated time period. No other Shipper’s service, nor EGT, is adversely affected by this waiver.
