

**Enable Gas Transmission, LLC (EGT)
and
Enable Mississippi River Transmission, LLC (MRT)**

Shared Facilities

EGT's and MRT's Transmission Function Employees occupy the same building as affiliates with Marketing Function Employees. EGT's and MRT's Transmission Function Employees and affiliated Marketing Function Employees are located on separate floors of the CenterPoint Energy building at 525 Milam Street, Shreveport, Louisiana 71101, with access restricted to current employees, contractors and other personnel who may be granted access for maintenance and cleaning. Transmission Function Employees and Marketing Function Employees located elsewhere are in separate buildings or cities.
